

Comparison of accuracy of 27 multiclass classification learners

Mean of accuracy on 71 classification datasets

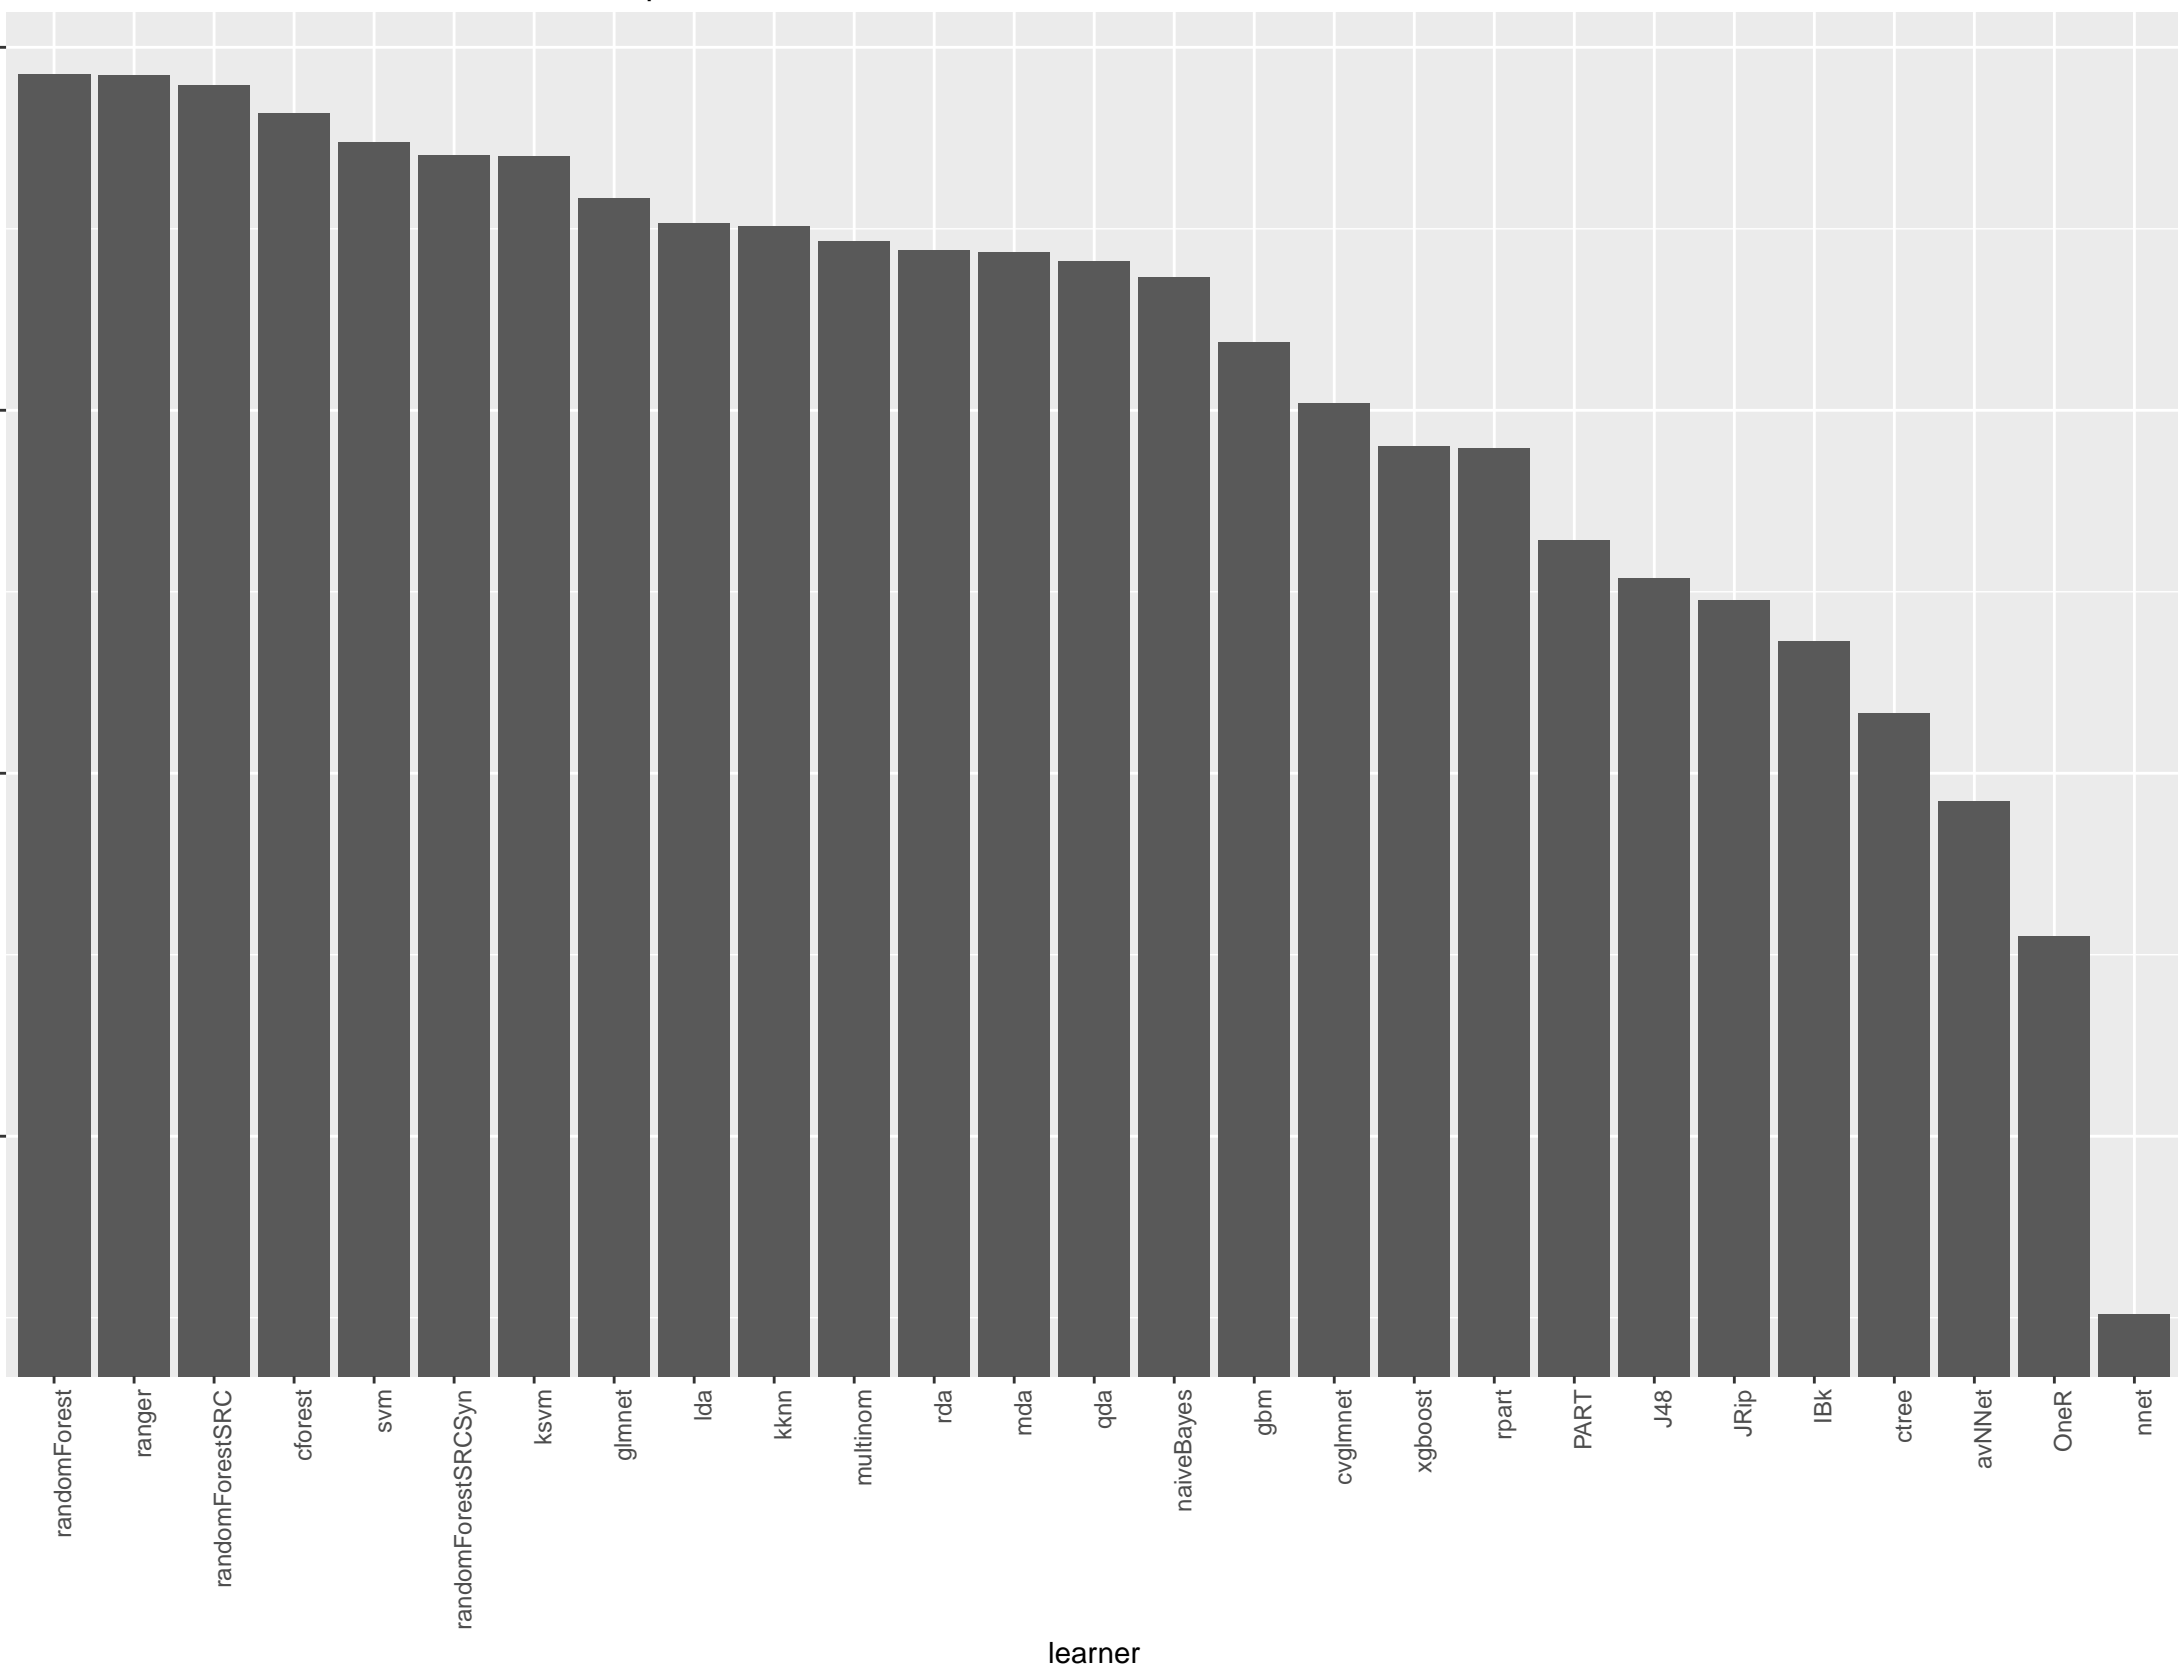

Comparison of balanced error rate of 27 multiclass classification learners

Mean of balanced error rate on 71 classification datasets

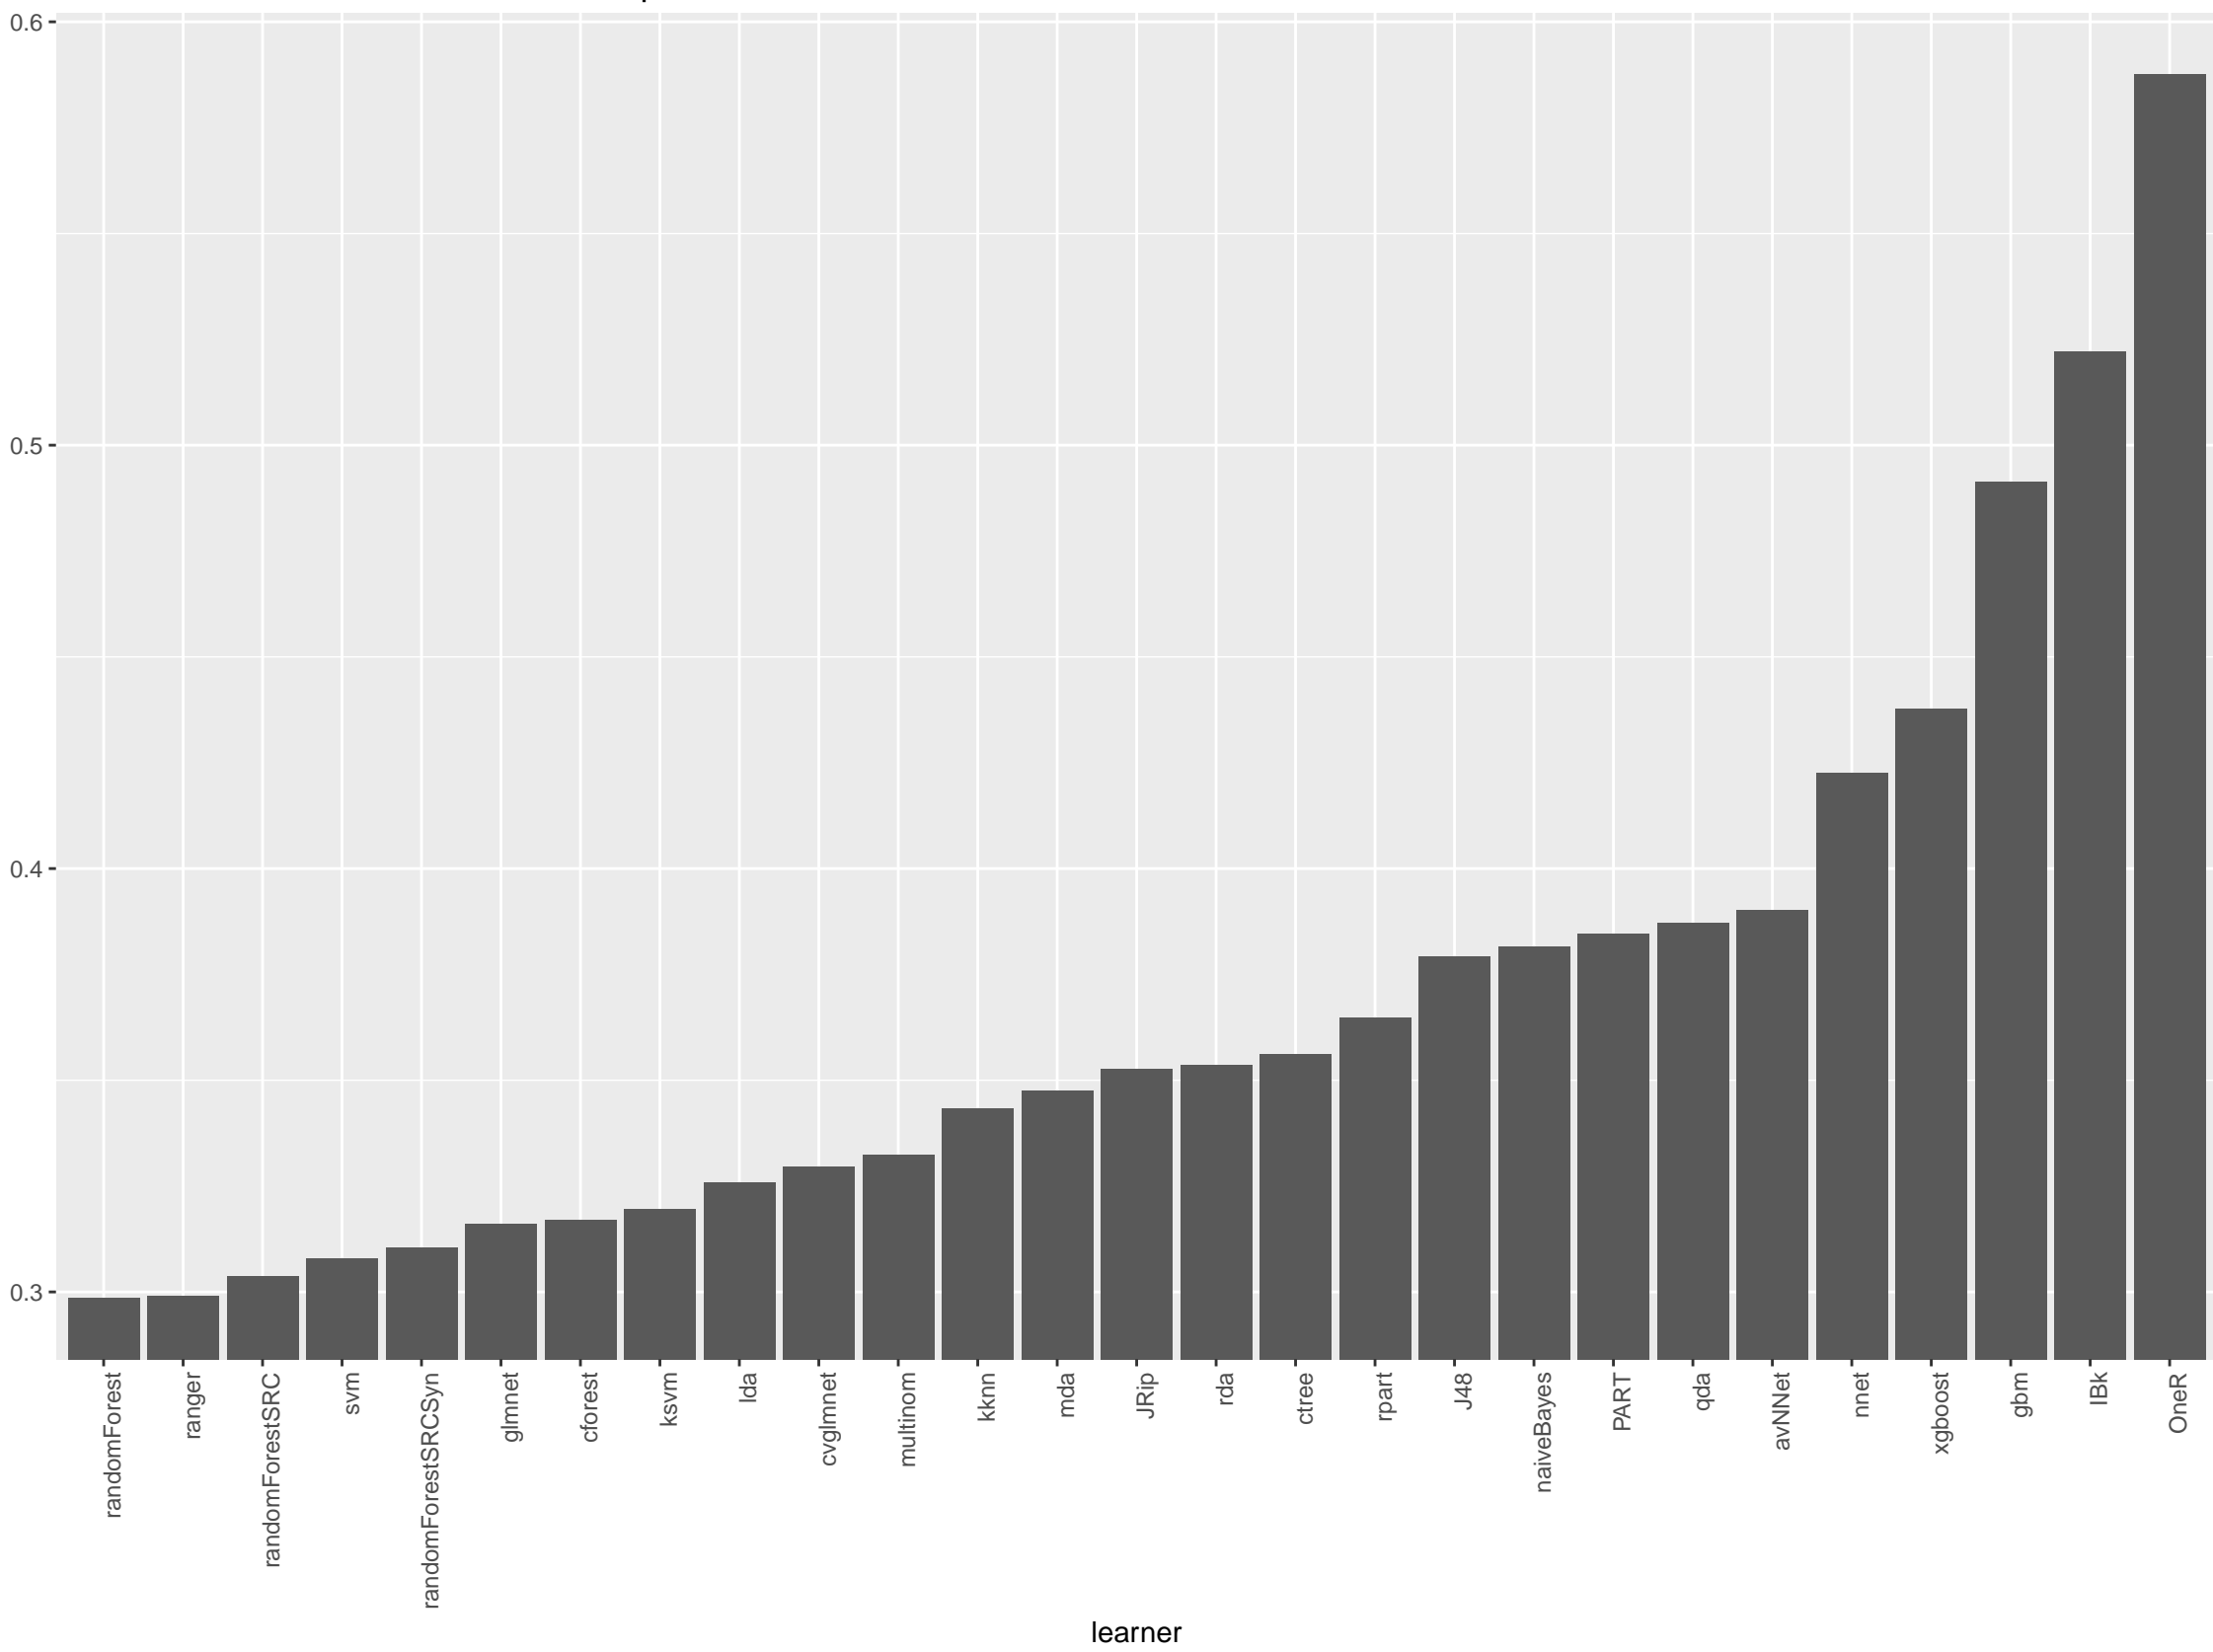

Comparison of multiclass auc of 27 multiclass classification learners

Mean of multiclass auc on 71 classification datasets

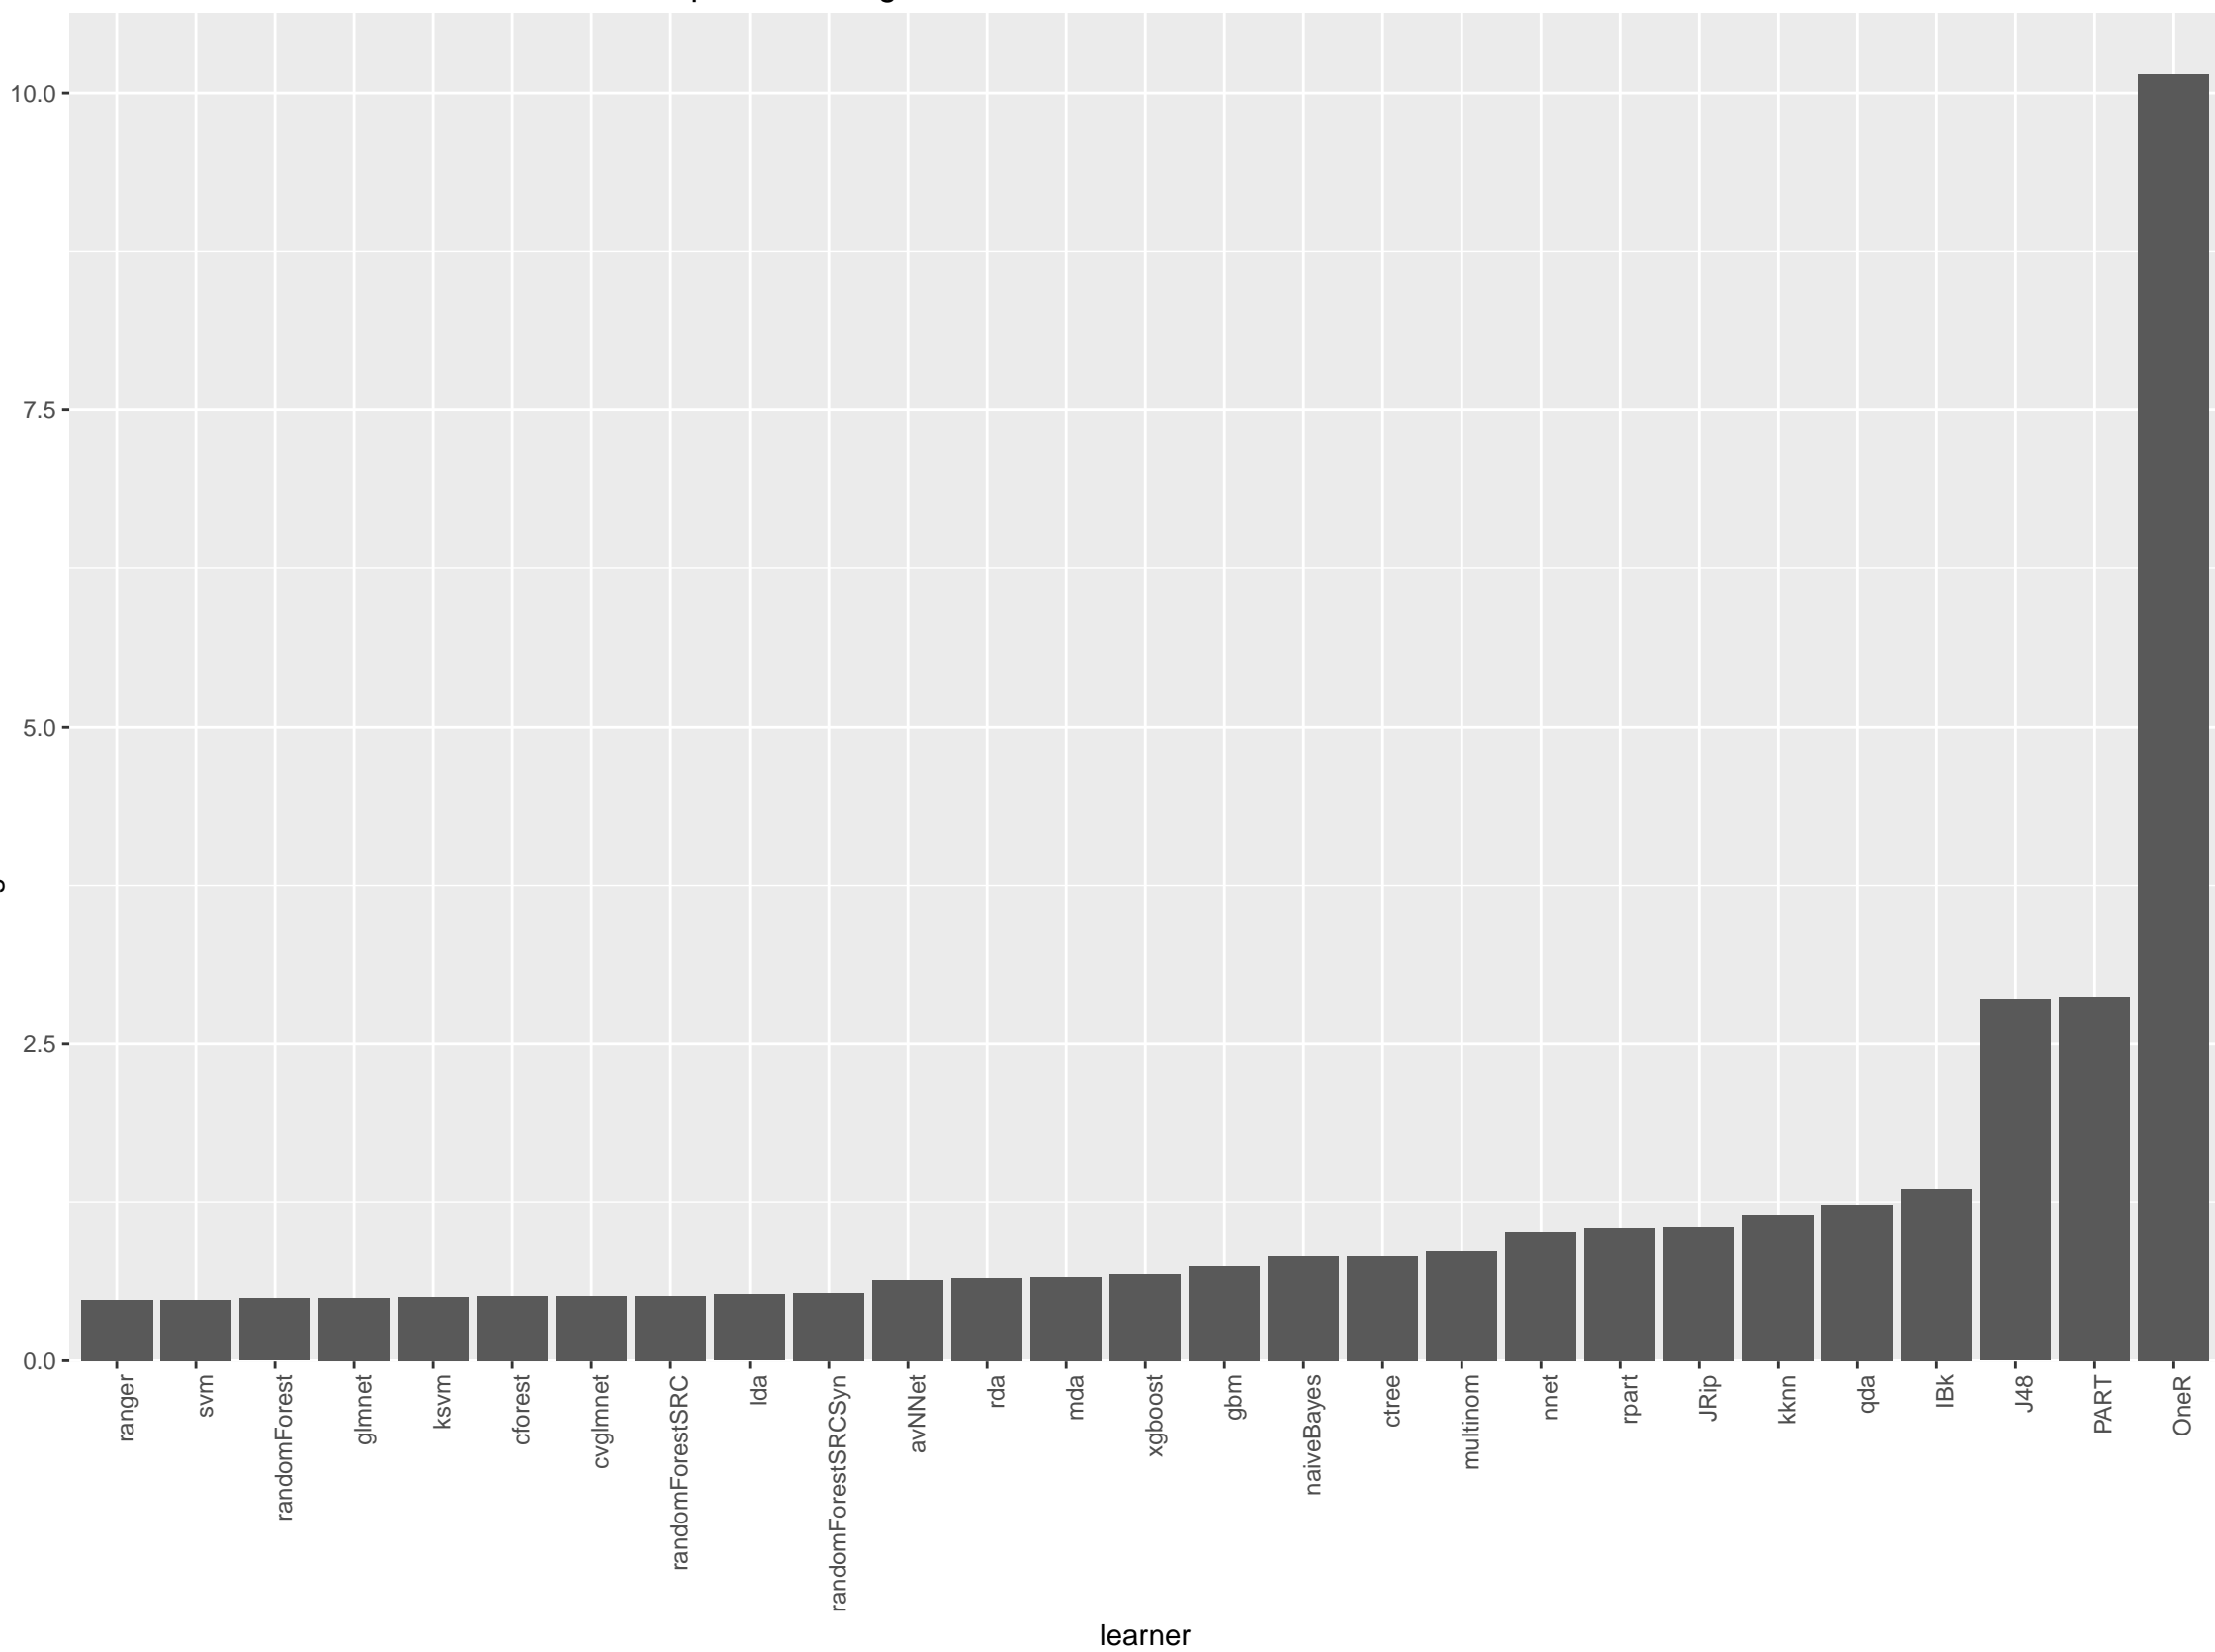

Comparison of multiclass brier score of 27 multiclass classification learners

Mean of multiclass brier score on 71 classification datasets

Comparison of logarithmic loss of 27 multiclass classification learners

Mean of logarithmic loss on 71 classification datasets

Comparison of time for training of 27 multiclass classification learners

Mean of time for training on 71 classification datasets
